

Let's all go fishing

Look at the rain, it's pouring
There's nothing to do it's boring
I've watched TV, had a cup of tea
And it's only ten in the morning
What am I gonna do ooh ooh (x4)

*Let's all go fishing, we'll go to Ardrishaig
Let's all go fishing, down by the sea*

I've got my woolly long johns on
Don't forget the cagoule
Got a bunnet on my head and wellies on my feet
Man I'm looking cool!
But what am I gonna do ooh ooh (x4)

Let's all go fishing, we'll go to Ardrishaig....

Out on a boat on the deep blue sea
My dad at the oars and my rod on my knee
Put a worm on the hook it's such a fiddle
Wait for a while 'til you get a nibble
What am I gonna do ooh ooh (x4)

Let's all go fishing, we'll go to Ardrishaig...

Hey dad look at my rod
It's jumping up and down
Hey dad what should I do
Reel it in son
But what am I gonna do oo oo (x4)

Let's all go fishing, we'll go to Ardrishaig...
