

# Lullaby

We build our house brick by brick  
Blackbird's nest, stick by stick  
We build our roof slate by slate  
Foxes lair excavate  
Fishes dream in the stream

*God works for those he loves  
while they are asleep  
God works for those he loves  
while they are asleep*

Big brown bear in her den  
Silly sheep in their pen  
Shepherds watch at the gate  
Bears all sleep, hibernate

*God works for those he loves...*

Feather bed eiderdown  
Sleepy head, lay it down  
My eyelids up I cannot keep  
Work is done, time to sleep  
Today was fun, count those sheep  
One and two, three and four

*God works for those ...*
