

Wonderful World

Angel Falls, Everest, Grand Canyon, Loch Ness
Sahara Desert too hot for me,
Float on the water in the Dead Sea
Fish with wings, they can fly in the sea and in the sky
Stripes, spots, sand or stone
All change, chameleon

*Isn't this just a wonderful world
A wonderful world that we live in
And whoever made this wonderful world
Is someone that I can believe in*

Beehive, honeycomb, racing pigeon flying home
Platypus, kangaroo, in the wild and in the zoo
Heart beating like a drum, finger print on my thumb
Head, shoulders, knees and toes
I think that's how the song goes

Isn't this just a wonderful world...

Snowflakes drift down,
Lightning strikes the ground
Wind whistling through the trees
Tiny veins on all the leaves.
Africa, India, Scotland, don't forget!
Hot and sunny, freezing cold – huh! ...wet!

Isn't this just a wonderful world...
