

Perfect Day

It's a wedding day can you hear the bells a-ringing
The groom is in his kilt and the bride is looking fair
The piper stands outside the church, the wedding
march is playing
What a perfect day to sing and celebrate!

You may kiss the bride the minister says
Auntie Jessie sheds a tear, the bridesmaid hopes
that she will catch the pink bouquet
The ceilidh band will soon be here, confetti's
blowing everywhere
What a perfect day to sing and celebrate!

*It's a wedding day, it's a wedding day
Hip Hip, Hooray! Hip Hip, Hooray!
Let's sing and celebrate!*

Happy Birthday is a song I love to hear
I've been waiting for this day for around about a
year
There'll be presents I expect and I anticipate a
birthday cake
What a perfect day to sing and celebrate!

Well my party starts at five and my friends will soon
arrive
My mum is putting candles on the chocolate
birthday cake
The table's looking good have a look at all that
yummy food
What a perfect day to sing and celebrate!

*Happy Birthday, Happy Birthday
Hip Hip, Hooray! Hip Hip, Hooray!
Let's sing and celebrate!*

It's a holiday, there's no school or crèche or nursery
The car is packed and we're going to the sea
There's a bucket and a spade and some ice cool
lemonade
What a perfect day to sing and celebrate!

There's a big fat man near an ice cream van
His daughter's crying 'cos her lolly fell into the sea
We all bury my dad down in the sand 'til all you can
see are his head and his hands
What a perfect day to sing and celebrate!

*It's a holiday, it's a holiday
Hip Hip, Hooray! Hip Hip Hooray!
Let's sing and celebrate!*
