

YUK!

Nana nana nana, nana nana na (x2)

Yuk – you're not my friend anymore
Yuk – you're a wee squirt
Yuk – you're so mean
Yuk – you smell like dirt
Georgie Porgie pudding and pie
kissed the girls and made them cry

*When everyone says yuk, Jesus says WAHEY!
I made you and I love you, don't worry you're okay
No matter what they say, no matter what they do
My love will never ever change
I think the world of you*

Nana nana nana, nana nana na (x2)

Yuk – you can't play with us
Yuk – you're nothing but a cheat
Yuk – you're a big fatty
Yuk – you're such a creep
Skinny Malinky longlegs big banana feet

When everyone says yuk, Jesus says WAHEY!...

Yuk – speccy four eyes
Yuk – freckle face
Yuk – sticky out teeth
Yuk – waste of space
You look like a monkey
and you smell like one too

When everyone says yuk, Jesus says WAHEY!...

Lala lala lala, Lala lala la (x4)
